In order to be sure of insurance coverage and to minimize inconvenience,

- Call your insurance company (telephone number should be on your insurance card) to find out if authorization is required. Write down any reference number given to you.
- If authorization is required, let us know, and we will contact the insurance company with the information they require.
- Select a local facility that is a provider for your plan.
- Call the facility to schedule your scan.
- Call our office two or three days after the scan is done. By then we should have the films available for the physician to review, and he can discuss the results with you.
